GREETING

**WE WILL
ALWAYS
BE A
COMPANY
WITH
CUSTOMERS.**

Since its foundation in 1989, it has focused on the production of wire rope and wire products and now has a production facility of 60,000 tons per year, and has become a specialized steel product company.

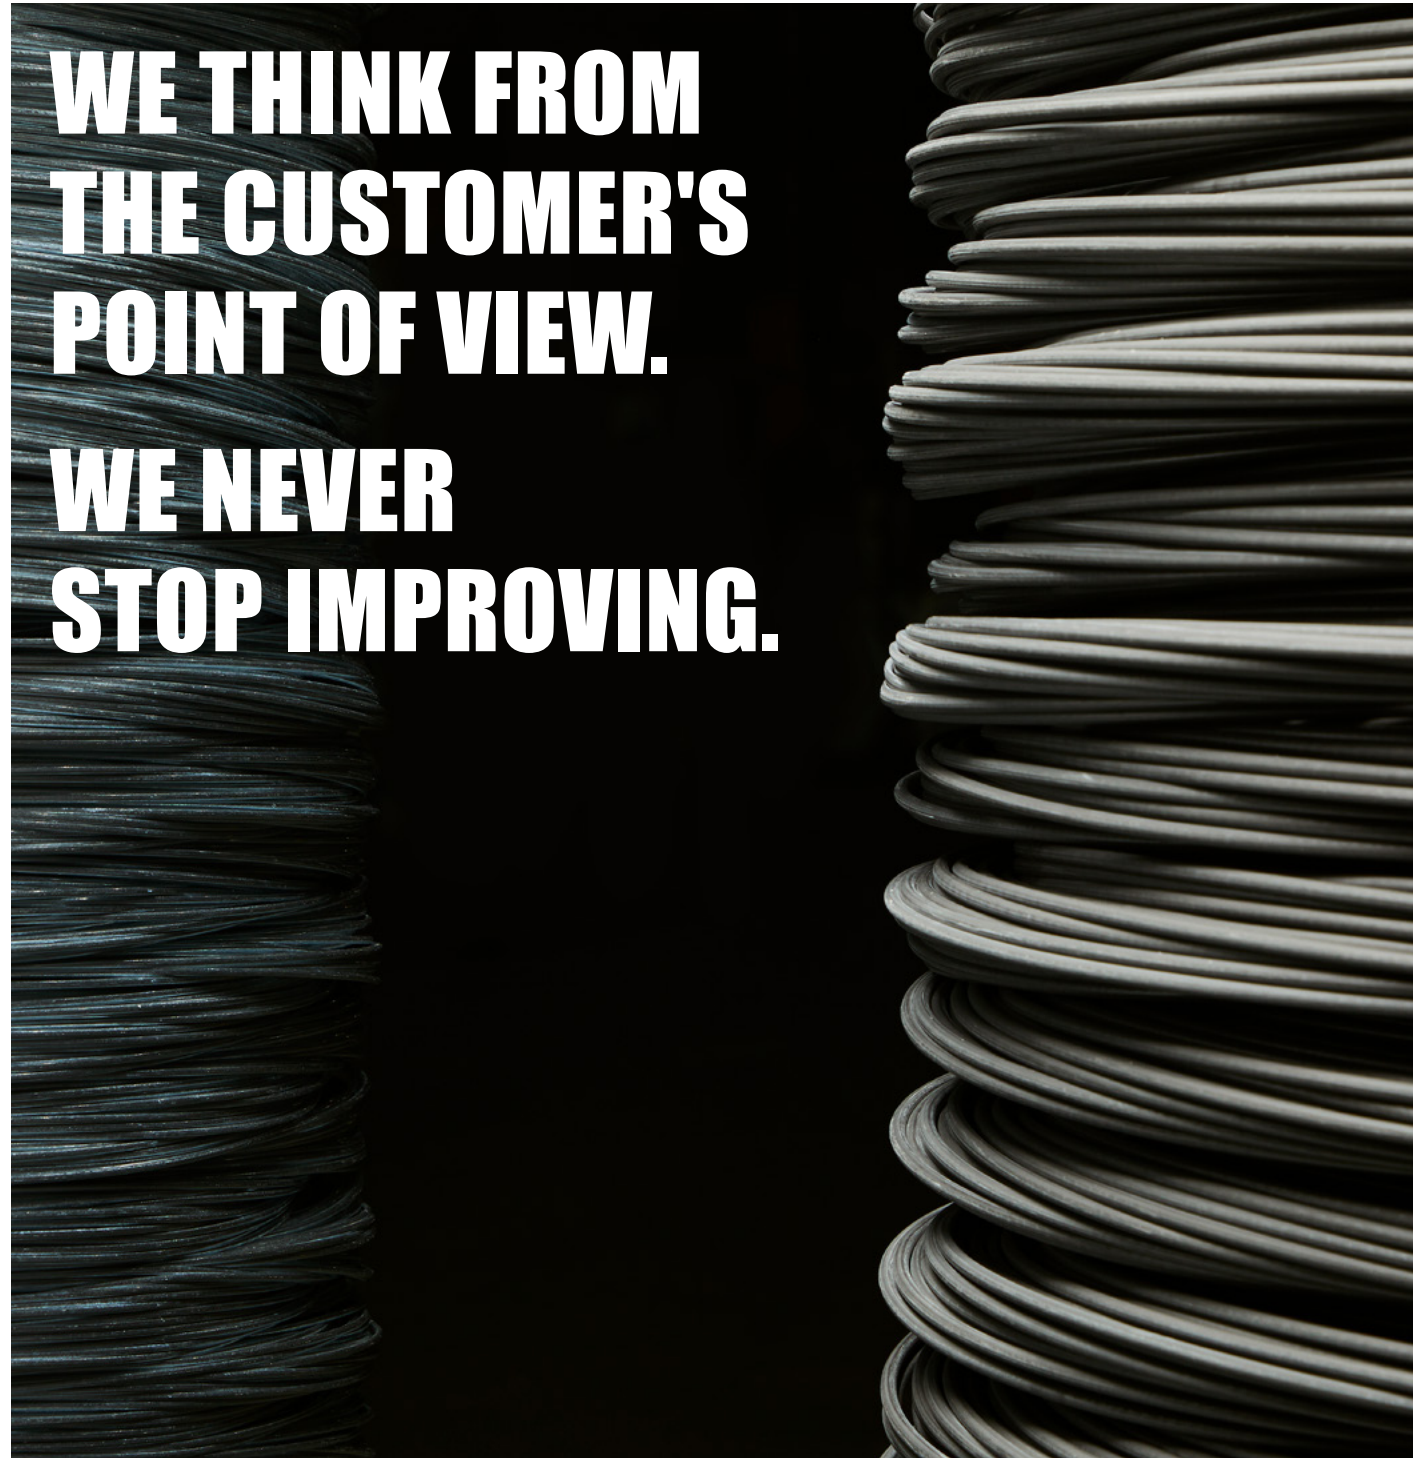

We have achieved rapid growth because of our deep trust with our customers. We are securing the best quality competitiveness through R&D activities and technical service improvement for customer satisfaction, not just product production and sales. Based on this, we are striving to grow into a world-class company and will always do our best to fulfill the responsibilities given to the company and grow with customers.

We will always be a company with customers.

**WE ALWAYS
AIM FOR
THE BEST QUALITY.**

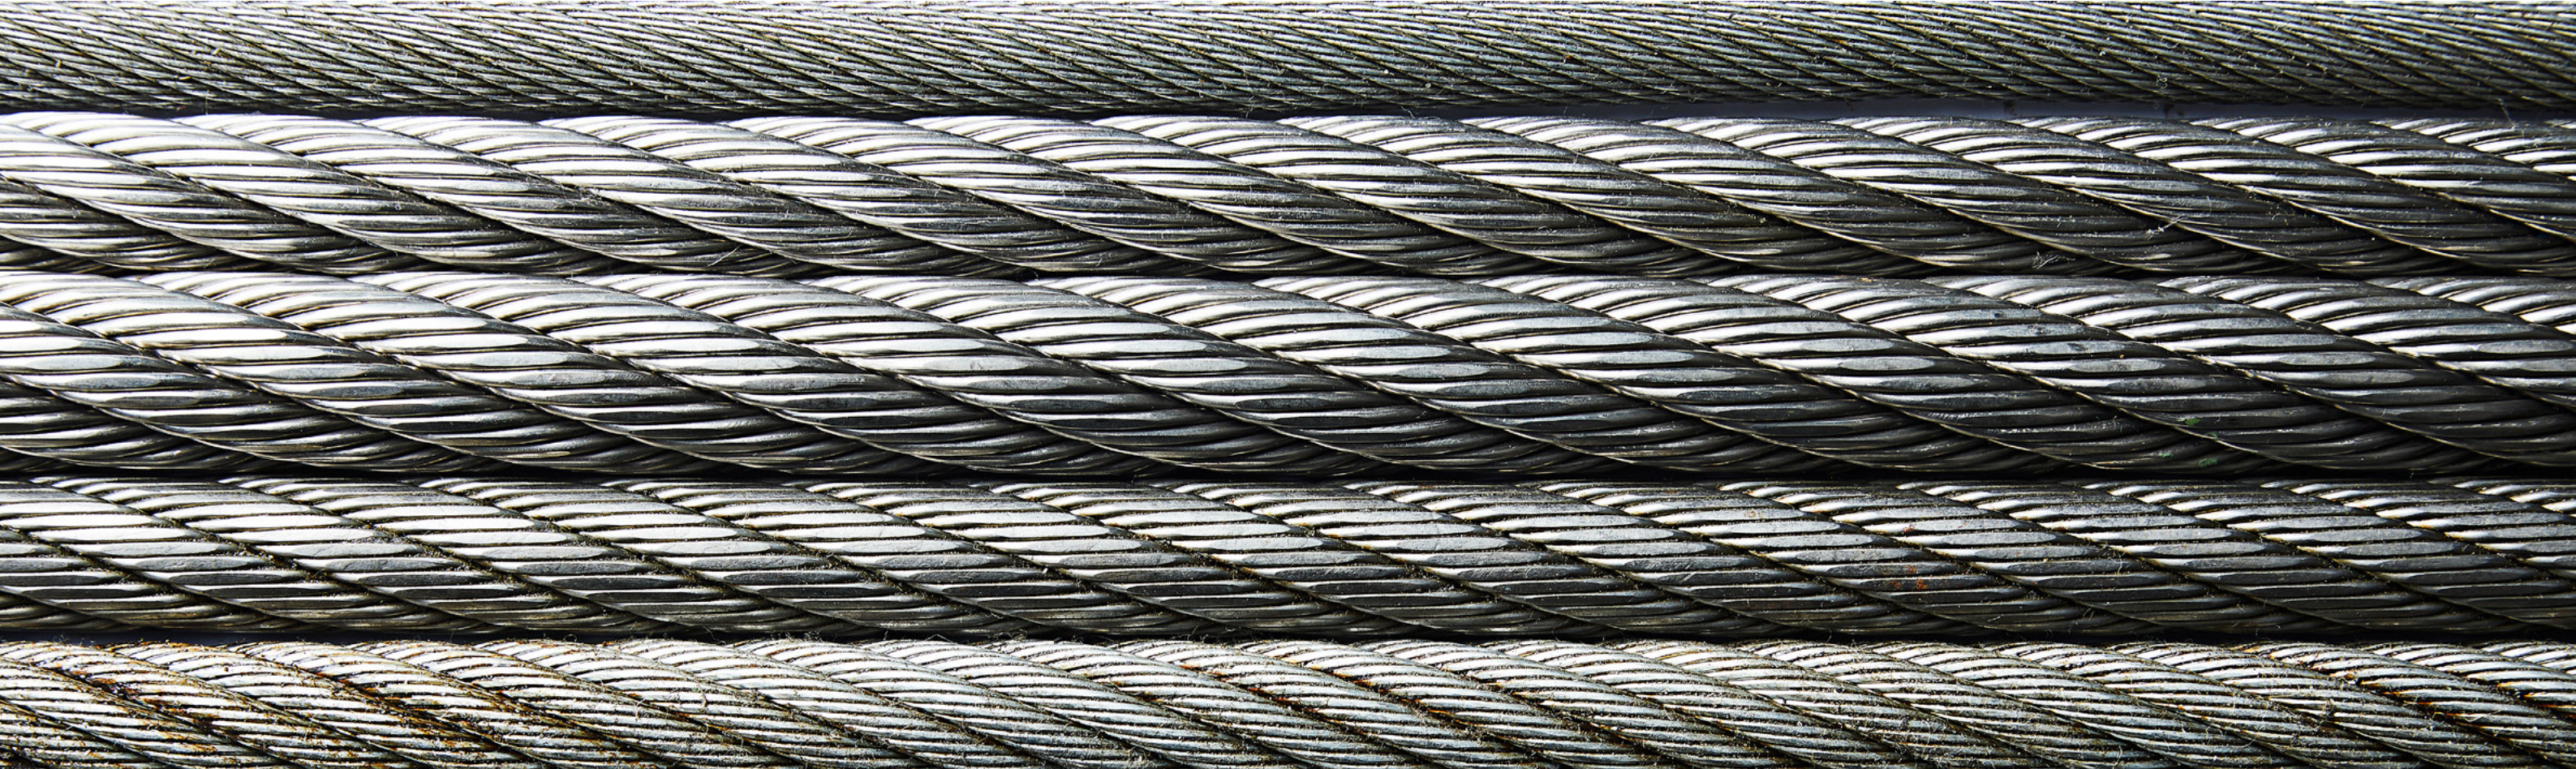

**WE THINK FROM
THE CUSTOMER'S
POINT OF VIEW.**

**WE NEVER
STOP IMPROVING.**

About Chungwoo & CS

Chungwoo rope co.,ltd was established in 1989 and started producing small sized wire cables. In the late 1990s, it began producing wires for re-drawing, and has increased exports to the world. Established in 2005, CS Co.,ltd is a subsidiary of Chungwoo rope co.,ltd, and currently all products are exported through CS Co.,ltd.
